And – And & And The list has many accolades.

AY 2021-22, the legacy continues with 100% pass percentile in Grade X with 95.2% as the highest.

Congratulations to Shraddha Kanuparth, Soma Nandika, Anirudh Tadinada & Aditya Seshadri for being the school toppers.

Future belongs to those who learn more skills & combine them in creative ways

Under the head CBSE Work Education & Skill Development Programme the school conducted numerous activities:

- ✓ To build growth mindset & emotional resilience, we had surgeons from KIMS & Appollo hospitals to address our students on Body Image Issues, Anger Management & Coping with stress & Career Guidance & Live Orientation webinars for NTSE - National Talent Search Examination & SAT (Scholastic Assessment Test)
- ✓ Students were exposed to practical knowledge on basic skills of Electrical Fixtures, Gas Knob Fixing techniques & Shibori Art by experts & Market Day for Grades 1 to 6 to understand budgeting & billing.
- ✓ FBHIS partnered with Clever Harvey a reputed Career Guidance & Placement Organization that brings Career exploration opportunities for teens with unique industry-partnered programs. Clever Harvey Junior MBA is an online programme led by IIM and Ivy league alumni to teach the essentials of entrepreneurship, strategy and Digital Marketing. We have offered this to students of Grades VIII to X.
- ✓ Mock Fire Drill: Mock fire drills and evacuation drills were executed by Cherlapally Fire Division personnel for the entire school to create awareness and preparedness during calamities.

- ✓ To add a golden feather to the Teams smart work, four students of Grade IX along with Principal Ms. Srilatha Channapragada flu to Delhi on the 15th, 16th & 17th of December to attend Adolescent Skill Summit organized & conducted by CBSE. A great experience for the students I must say.

SPORTS

A famous quote that says “ Play a sport, it will teach you how to win honourably, lose gracefully, respect the authority, manage time & stay out of trouble. We celebrated our Annual Sports Day on 10 December at Gymkhana Grounds “ Swasthya – Sowkhya – Samriddhi” & I can only say it was magnificent & outstanding. The chief guest Ms. Varuni Jaiswal, an International & National Table Tennis Champion was all praise for the same. Toppers of three academic years were felicitated by the chief guest and a cash award of Rs. 10,000 & 5,000 was given to the achievers.

HIGH SCHOOL STUDENTS PARTICIPATED CBSE CONDUCTED CHALLENGING PROGRAMMES

The greater the challenge, the more glory in overcoming it.

- ✓ Regional Science Exhibition: Theme – Technology and Toys, Ganith Challenge, Fit India Quiz, Heritage Quiz

READING & WRITING ENHANCEMENT PROGRAMME

- ✓ During the course of Class Observations by the Principal, Academic Head & Coordinators of all levels, we noticed that students were facing a challenge to read & write & spell fluently, this may be due to slow learning during the Pandemic. Under the guidance of the Director, the timetable was reframed to accommodate an exclusive zero period for reading & writing enhancement programme for Grades I to VIII.
- ✓ Additional Reading Enhancement was taken up for selected students of

Grades I to IV to hand hold them & boost their confidence.

- ✓ While Grades I to VIII were occupied with Reading & Writing Enhancement programme, Grades IX to XII students had intense focus on academics & hands on lab activities.

Amidst all the above STEM & STEAM Programmes the team ensured the main stream curriculum is carefully handled.

- ✓ The school also keeps a close watch of CBSE Online training programmes & intense training workshops conducted by the Head Office, the Light House.
- ✓ All that begins well Ends well!
- ✓ Lets together build a better tomorrow.
