"Learning in Action"

FBHIS Chronicle — Celebrating Our Vibrant Campus Life"

"Together We Learn, Grow & Shine"

"FBHIS: Where Ideas Take Flight"

At FBHIS, we believe that learning happens not only in classrooms but also through experiences, activities, and shared moments. This edition shines a spotlight on a variety of student initiatives — from cultural and literary events to sports, competitions, assemblies, and community engagements. Each activity tells a story of curiosity, teamwork, and joyful learning.

We are incredibly proud of our young achievers who make every event meaningful with their enthusiasm and talent. A heartfelt thanks to our teachers and parents for their constant encouragement and support in making these moments truly memorable.

English

The English Department at our school is dedicated to fostering a love for literature, language, and communication.

nurtures students' language skills, broadens their literary horizons, and prepares them for effective communication in an ever-changing world.

Debate Competition

Math

This is designed to make learning- logical, engaging and application based.

Teachers focus on conceptual learning, problem solving and real life problems.

Mathematics concepts are,

- *Puzzles*
- *Quizzes*
- *Critical thinking*
- *Reasoning*
- *Analytical skills*

Students become innovative and confident and gains clarity

Science

Fbhis provides qualified experienced teacher/ mentors who can guide students with theoretical knowledge and practical knowledge.

- *Modern Instruments*
- *Practical Exposure*
- *Bridge between technology and theory*
- *Fostering curiosity, innovation and confidence*

Laboratory

SL Hindi

हिंदी एवं पर्यावरण अध्ययन की कक्षाएँ विद्यार्थियों में भाषा प्रेम, सृजनात्मकता और प्रकृति के प्रति संवेदनशीलता विकसित करने के उद्देश्य से संचालित की जाती हैं।

विद्यार्थियों को प्रकृति से जोड़ने के लिए वृक्षारोपण और पर्यावरण संबंधी प्रोजेक्ट कराए जाते हैं। विद्यार्थी न केवल विषय का गहरा ज्ञान प्राप्त करते हैं बल्कि पर्यावरण संरक्षण के महत्व को समझते हुए जिम्मेदार नागरिक बनने की प्रेरणा भी पाते हैं।

Technology

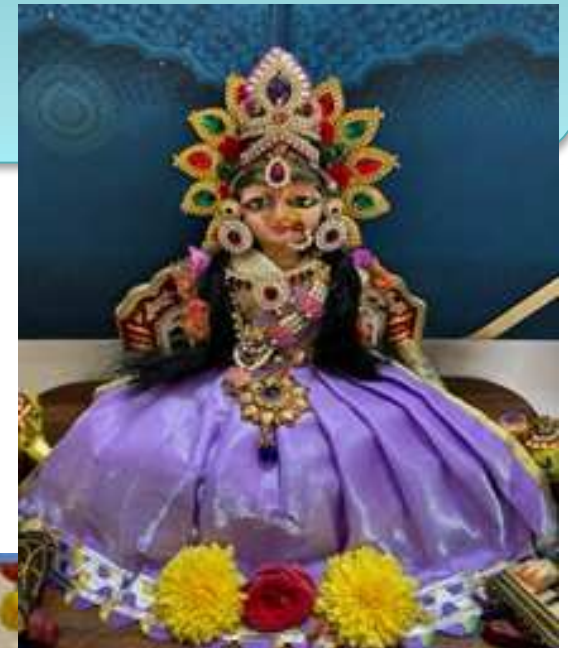

Students using technology as their power and electing their leaders (Election Campaign)

Art

"**ADVAY'S** fascination with mythological stories began at an early age, around 4 years old.

His creativity and attention to detail were impressive, and soon he was crafting beautiful idols that seemed to capture the essence of the stories he loved.

Art

Students experiment with different painting techniques. Using various materials like paper, fabric, and recycled items, students engage in collage-making and craft projects that encourage creativity, problem-solving, and environmental consciousness.

Sports

physical education and sports are an integral part of the overall development of our students. We believe that sports not only improve physical fitness but also teach valuable life skills such as teamwork, leadership, discipline, and resilience.

Sports

Football is a favorite team sport that encourages students to develop physical stamina, strategic thinking, and a strong sense of teamwork. Our school organizes regular practice sessions, friendly matches, and tournaments that allow students to improve their skills in a competitive yet supportive environment.

- **Activities Include:**

- Morning and after-school practice sessions
- Inter-house football leagues and school team selection

Sports

Basketball

Basketball is one of the most dynamic and energetic sports played at FBHIS. Students learn through structured coaching sessions and practice drills.

Both boys and girls participate enthusiastically in regular matches and inter-house competitions.

- **Activities Include:**

- Coaching sessions for beginners and advanced players
- Intra-school and inter-school tournaments
- 3-on-3 matches and shooting contests
- Basketball fitness and conditioning drills

Sports

Tennis

Tennis helps students develop focus, hand-eye coordination, and discipline. FBHIS provides well-maintained tennis courts and professional coaching for students interested in learning or improving their game. Both singles and doubles matches are organized regularly to encourage friendly competition.

- **Activities Include:**

- Regular coaching sessions for different age groups
- Skill development in serves, volleys, backhand, and forehand strokes
- Intra-school tennis competitions

Performing Arts

Dance is a powerful form of self-expression, movement, and creativity, and our school's dance program is designed to help students explore rhythm, develop coordination, and build confidence.

Robotics

Cogno Space: A Hub for Innovation and Cognitive Development

Cogno Space at our school is a dedicated learning environment designed to nurture students' intellectual curiosity, critical thinking, and problem-solving abilities. It serves as a dynamic space where innovation meets exploration, and where students are encouraged to think beyond textbooks to discover, create, and collaborate.
